

Prescription Benefits

Convenient and affordable medication options

Welcome to CVS Caremark® – we manage your new prescription benefit plan. We're here to help you get the medication you need and learn how to keep costs low.

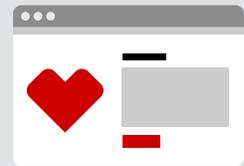

Make sure you know how to get your medication

You can pick up your medication at any pharmacy in your network. Many pharmacies now offer home delivery services. Contact your preferred pharmacy for more detailed information.

Tap into savings with digital tools

Save time, keep costs down and stay on top of your prescriptions. Do it all at [Caremark.com](https://www.caremark.com) and the CVS Caremark mobile app.

- Find a network pharmacy to keep medication costs as low as possible
- See if a medication is covered to get the most affordable option
- Compare drug costs to see where you can save
- Keep track of prescriptions for your family
- File a manual prescription claim, if you paid out of pocket for a medication and are seeking reimbursement under the plan
- View prior authorization information, such as medication name and the dates of authorization
- View the current preferred drug list
- Download a list of medications filled under the plan and monitor your out-of-pocket costs
