1. Brief Update on Emergency Contraception Effort *Dr. Kinsey provided an update on the results of Emergency Contraception being available at the Memorial Union Markets. After a slower start we understand that over 50 doses have been sold. The Emergency Contraception Task Force should reconvene to look at progress thus far and evaluate if additional outlets for the product should be considered.*
2. Present and Discuss Fiscal Year 2019-2020 Budget Package *The proposed 2019-2020 UHS Budget Package was presented and the HCAC voted on the budget. The vote was 6 in favor, 0 apposed, and 2 abstain.*
