University Health Services records all positive tests.

**Students tested on campus**
- UHS notifies Environment, Health and Safety (EHS)
- EHS will guide cleaning of facilities if necessary.

**FOR UNIVERSITY HOUSING STUDENTS**
- University Housing will contact students living in residence halls to move them to dedicated isolation facilities.

**FOR OFF-CAMPUS STUDENTS**
- UHS will provide instruction on isolation.
- Students living off-campus should isolate for at least 10 days.

**Students tested off campus**
- Students expected to report positive tests to UHS at: covidresults@wisc.edu, 608-890-0000, or at go.wisc.edu/CovidReport
- UHS begins contact tracing
  - UHS and local public health departments will notify individuals who have had close-contact exposure to quarantine or isolate.
  - UHS will notify in-person instructors that a student in their class has tested positive, without sharing the student’s identity. Contact tracers will notify instructors if there has been close contact in the classroom.

**FOR STUDENTS**

1. **TEST**
2. **RECORD RESULTS**
3. **NOTIFY**

**ALL STUDENTS WHO TEST POSITIVE:**
- Isolate yourself from others: go.wisc.edu/isolate
- Notify instructors of absence.
