

# TOWN HALL

---

## Where are we now?

---

**WITH SAFE AND EFFECTIVE VACCINES** now available to everyone age 12 and older, it can feel like a lot is changing quickly, from the end of mask mandates to more opportunities to socialize. What do these transitions mean for campus and how can we navigate them together? Join campus experts for a discussion and to get some of your questions answered.

**Monday**

**June 14, 2021**

**Noon–1 p.m.**
