AGENDA

TOPICS	WHO	TIME
1. Welcome <ul style="list-style-type: none"> • Minutes approved from December 2021 meeting. 	P. Kelleher/Isabel Peterson	
2. Budget Update <ul style="list-style-type: none"> • At the December meeting Carol showed a Power Point to cover historical data and 5-year projection. Based on that and projections, we proposed a 3% increase. This is still unsettled as we are still working on cleaning up the budget and working with the departments on what is needed. • Prior to Covid we were working on a remodeling project for UHS which has been on hold. We now have different leadership with different visions and will now re-engage with the architects. Should have more of an update in a couple of months. • Messaging has gone out about the spring antigen self-testing kits which are available starting today at the Union and Union South. The expectation for students is to test prior to coming back and when they arrive on campus. Will share booster information again. We adopted isolation/quarantine guidelines according to the CDC. Advising well-fittin 	Griggs
