

## How to Purchase UW Furniture

The companies and locations below are in the Madison area and are available for you or your staff to visit in order to see the furniture that is offered through those companies. The salesperson responsible for our contract is listed as a contact person for you if you want additional information. In most cases, the companies involved are willing to provide sample chairs, equipment for trial basis and are willing to send you brochures and informational materials if you would like to look at that type of material for any of the manufacturers.

The other contacts that are listed are people who have other products including ergonomic seating, equipment but who may not have local showrooms. There are several vendors on State of Wisconsin and UW contracts who have ergonomic seating and the list below is not all inclusive.

If you have furniture questions please contact Crescent Kringle at (608) 262-5321 [crescent.kringle@wisc.edu](mailto:crescent.kringle@wisc.edu) and she can determine if the product you are interested in is on one of the State or UW contracts and who the vendor is for that particular manufacturer. You can also look at the UW Madison Purchasing website at <http://www.bussvc.wisc.edu/purch/contract/furncont.html> for a list of the furniture contracts available for UW Madison use.

If you have questions regarding ergonomic accessories or office supplies please contact Sarah Martin at (608) 265-0443 or [sarah.martin@wisc.edu](mailto:sarah.martin@wisc.edu) and she can help determine if the products are on a State or UW contract and ordering information. You can also look at Shop@UW through the Staples punch-out to determine if the items are available for ordering.

Please keep in mind that the University has Minority Business Enterprises (MBE's) on contract for some of the furniture lines and they are available to help you in your purchases of furniture as well. These companies are identified on the Purchasing Website [www.bussvc.wisc.edu/purch/contract](http://www.bussvc.wisc.edu/purch/contract) with an identifier of "MBE".

To view the products in the following showroom(s), please contact the person identified below to receive available viewing times and location.
