Being healthy, fit and active is a little easier with The Alliance’s **HEALTHY LIVING DISCOUNTS**

*We secure the discounts, all enrollees have to do is show their medical ID card to receive savings on a number of services that can help improve their health and wellness.*

The Alliance Healthy Living Discounts program provides enrollees with savings at a number of facilities devoted to health and wellness. Discounts vary by provider and all you have to do is show a medical ID card with an Alliance logo to receive savings on pre-approved services.

Savings are offered on a wide variety of services including:

» Health and fitness centers
» Yoga studios
» Nutrition and weight-loss centers
» Martial Arts studios
» Massage therapists

The Alliance coordinates the program on behalf of Alliance member organizations and their enrollees. Discounts are not considered a covered benefit or insurance program and participation by a particular business is not an endorsement by The Alliance of that business.

Enrollees are responsible for all enrollment and membership fees associated with any businesses, outside of the stated discount.

Suggestions to the program are always welcome. To suggest a new healthy living resource, call 800.223.4139 x 6653 or visit [www.the-alliance.org/healthyliving_nominate](http://www.the-alliance.org/healthyliving_nominate).
